Case No. 04-1280-SP

NOTICE OF WITHDRAWAL OF IMPASSE DECLARATION

Alaska State Employees Association, ASEA/AFSCME Local 52, hereby notifies ALRA and the State of its withdrawal of its impasse declaration of March 12, 2004. Due to circumstances beyond ASEA's control, it has not been able to get a decision on its impasse declaration in a timely enough manner to move collective bargaining negotiations forward with the State. While ASEA believes the parties have been at impasse, ASEA is withdrawing the declaration and returning to the bargaining table in good faith effort to consider any new proposals by the State. As previously stated in its letter to the State dated March 17, 2004, ASEA has no counter proposals to offer. ASEA Ex. 54. ASEA requests that the Agency maintain the record in the impasse proceeding for use in potential future proceedings with ALRA.

Dated this 13th day of May, 2004, at Anchorage, Alaska.
