The 2017-2018 Scholarship Winners are....

Angel Spurgeon

(Daughter of Sister Kathy Spurgeon)

&

Luc Wilford

(Son of Sister Michelle Gadbois)

The Scholarship Program is funded and administered by the Alaska State Employees Association (ASEA) / AFSCME Local 52 Ketchikan Chapter. The program was established by our union chapter to promote adult student participation in continuing education, community service and to recognize exceptional students who show promise of continued service. The two \$500.00 scholarships were awarded solely on the basis of merit and full-time or half-time enrollment in a 4-year degree program at an accredited university or a trade / vocational studies program at an accredited institution. Scholarship monies may be used for any legitimate expenses incurred in the pursuit of advanced education or training in institutions recognized by the State Student Loan Program as legitimate education entities. Legitimate expenses may include, but are not limited to, travel to and from the institution, tuition, books, equipment, tools, room and board. If the scholarship recipient does not enroll and begin classes in an approved institution within one year of the scholarship award, the scholarship shall be forfeited.
